MEMORANDUM FOR: Director of Personnel

SUBJECT : Travel and Transportation Expenses

25X1A9a

1. Attached is a request from DD/S&T requesting shipment of effects at Government expense for [REDACTED] who is retiring in May 1968 from a position at headquarters. This request has the concurrence of the Associate General Counsel who states there is authority in the agencies including this one to pay the travel and transportation expenses of employees originally hired for overseas service back to their place of residence at the time of appointment.

2. I believe we should look into the desirability of amending our regulations governing payment of this type transportation. Our retirees should receive uniform treatment in this regard.

3. Please let me have your recommendation in this case in addition to your views on amending the regulations.
